

Truck Knocks-out Power 1 Hour In Lemon Grove

A produce truck knocked over a pole in front of Mayfair Market and lights and power on the east side of Lemon Grove went off for 50 minutes Saturday. The Lemon Grove Fire Department responded to the alarm and diverted traffic and kept the area clear until the power company could replace the lines and pole.

Arthur Lopez, driver of the truck which knocked over the power lines carrying more than 240 volts, was not injured. The damage to the truck was slight. Lopez said that something happened to the steering mechanism and he was not able to prevent the truck from pulling to the right until it struck the pole. Sparks flew but no other damage occurred.

Tom Papagni In Hospital After Hemorrhage

Tom Papagni, proprietor of T. P. Hardware and Paint Co., 7820 Broadway is in Navy Hospital after being removed from Hillside Hospital on El Cajon Blvd. following a series of hemorrhages. His condition is listed as "improved." He was on the critical list for several days.

He was rushed to the hospital Wednesday morning after collapsing at home. He was given seven transfusions the first three days.

Mrs. Papagni is operating the firm during his absence.

Angelus Heights 75 Acre Tract Sold to Builders

Seventy-five acres of land in Angelus Heights was sold by Martin Ito, 6360 Sullivan Avenue, San Diego for a reported price of \$150,000 to Woodhull Homes Inc. of L.A.

Estimated 300 homes will be built but no subdivision map has been filed, it is said.

Traffic Signals to be Installed at Broadway and Massachusetts

Bids will be opened in October and construction started soon thereafter for traffic signals at the intersection of Massachusetts and Broadway in Lemon Grove, it was revealed this week.

The Board of Supervisors this week instructed legal advertising to be placed calling for the bids. If bid is accepted work will be completed before the Lemon Grove section of the freeway is completed. The latter is scheduled for March or April opening.

Broadway and Massachusetts has long been listed as one of the major auto collision points of the area. The County Road Department has been petitioned several times to install signals, and failing that, request was for a 4 way stop.

Broadway is a county road taken over by the State pending development of certain projects which would let up the pressure on that thoroughfare. The State Division of Highways frowns on stop signs on their thoroughfares and as a result no sympathy could be gained locally for the 4-way stop arrangement.

Jim Spears Takes Over Local Ford Dealership

Jim Spears, well-known in San Diego's auto sales industry has purchased the Ford agency at 7220 Broadway from Elmer Drew and Al Cunningham.

A veteran of 20 years in the auto field, Spears took over the management of the Lemon Grove facility in January of this year. Under his management sales grew and the operation expanded so he purchased the business the first of the month. It will now be known as Spears Ford.

"Lemon Grove presents an opportunity for Ford... and Ford offers an opportunity to hundreds of potential Ford owners in Lemon Grove," Spears said. "We know we have a good product. We are implementing our parts and service departments and will eventually have the kind of operation that will completely satisfy all Ford enthusiasts locally."

Spears has enlarged personnel

from five to 15 persons since acquiring ownership. An expanded parts department is now in operation. A complete repair and body shop is in the works and the expansion will be general in a few days.

An open house celebration will mark the change over September 19, 20, 21 and 22nd and the event will be marked with prizes, refreshments, live broadcasts via KCBQ and some events yet to be decided upon.

Spears was formerly with the Chula Vista Chamber of Commerce and was vice president of the South Bay Optimists Club.

Drew and Cunningham, former owners, will devote their entire time to a Ford agency they own in La Mesa.

Men's Club Hears U. S. Health Department Head

Only 20 men were present at the Men's Club Friday but they heard an interesting talk by Hon. Watson Miller, titular head of the U. S. Health Department.

Program chairman was Dr. Frank Gigliotti and it was he who invited Captain Miller to come. To be guest speaker. Captain Miller has held eminent positions in the Government, succeeded by Paul McNutt, had 28 Federal Agencies under his direction at one time, was U. S. Minister of Education and Health, is the Father of Rehabilitation of wounded American Legion Veterans, Jiggs, as Captain Miller called him, who has known Miller for 40 years, told about the time when Veterans came to Washington with an arm or leg gone, sick and despondent and unable to get by on the \$30 per month pension allowed.

Pre-Fire Study Being Made By Department

A "Pre-fire Planning" survey is being made by the Lemon Grove Fire Department it was announced this week.

Under the direction of Captains Fred Dixon and Ray Carmody the department will chart every business place in Lemon Grove, noting the easiest place of entrance, master electric switch, gas meter and location of the most valuable contents of the building. The latter activity will help reduce smoke and water damage, the men said. It is part of a continuing program but the department expects to have the bulk of the work done by National Fire Prevention Week October 7 to 13.

Home owners may have a survey made by calling HO 6-1459.

County Asks For Help To Ease Water Shortage

The Metropolitan Water District at L.A. Tuesday rejected the County Water Authority's plea for an emergency line to bring additional Colorado River water to San Diego.

MWD technical staff said there was not enough water to fill the line even if it should be constructed. A dry winter will make water rationing mandatory next year in the Helix District according to district officials.

The County Water Authority which handles water entitlement for sixteen water districts within the county (and two which are yet to acquire entitlement) last week voted to appeal to the Metropolitan Water District to relieve a water shortage which is anticipated next summer.

The county authority requested a five million dollar pipeline immediately to be constructed to the county line. This would serve as a temporary measure. The line would be run by the county authority to either Rainbow Tunnel or Lake Hodges.

The CWA also included in the resolution a demand for the MWD to start the machinery for a second aqueduct. The latter

would take at least three years and would be built from a \$15 million bond issue.

The county faces a shortage of 24,270 acre feet of water next summer. This amount would be lessened by rainfall of runoff proportions.

The temporary pipeline would reduce the shortage to 17,910 acre feet and without rainfall of any consequence, rationing would result.

Another meeting is scheduled for this week to hear a reply from MWD. Rube Levy and Harry Griffen of the Helix District are members of the CWA.

Dr. Chassy Files For Hospital Board Post

Dr. Gilbert Chassy, MD, 3288 Main Street, Lemon Grove, has filed a petition with the Grossmont Hospital District announcing his candidacy for the Grossmont hospital board of directors. Dr. Chassy is the fifth candidate to file. Three incumbents will compete and so will Frank Foster of Brookside.

Dr. Chassy is a physician and surgeon.

School Tax Election To Be Held Nov. 2 As Scheduled

The special election for authority for the Grossmont High School District to levy a \$1.25 excess tax on property within the district will be held November 2nd as scheduled.

Consideration of consolidating the election with the general election on November 6th was dropped when it was learned last week that an additional \$3,000 would be required for changing it.

The proposal would replace the current authorized levy of \$1.35 which expires June 30, 1957 with a reduced levy of \$1.25. The authorization would be limited to a 5 year period.

The Grossmont Board decided to request the reduction of \$1.25 because of the experience of the past five years under the authorized levy of \$1.35 approved by the voters in 1952. The following rates used by the board for these five fiscal years are as follows:

	Amount below Authorized Levy
1952-53	1.14
1953-54	.67
1954-55	.88
1955-56	.88
1956-57	1.03

On this basis the board concluded that it could maintain the present educational program by reducing the authorization to \$1.25. Salary schedules increased last year cannot be maintained unless the authorization is approved.

District Sup't. Lewis Smith informed the board that in the event the election does not carry by a majority vote, the maximum levy for 1957-58 will drop to 75c, which would cause operating revenues to fall far below necessary requirements.

Drastic cutting of salaries, increases in teaching load, and other measures would be required if the reduction from \$1.35 to \$1.25 is not approved he stated.

THINGS DOIN' & BREWIN' About Civic Center

By DICK HENDERSON

Chief item of business around the tax accounting division of the auditor's office these days is making the 265,000 tax bills ready for the customers about November 1.

Some 15 skilled machine operators are turning out the bills, with the assessed value of land and real estate, and personal where any such luxury is assessed, typed into book and put on the bill at one operation. A carbon is used for the bill. The name, address and description of the property has already been done and the bills kept in numerical order, errors in billing are few. Jim Rodgers, who is Elmer Leffer's chief aid—Elmer is chief of the tax accounting section—is out on the floor supervising and directing the machine operators. Five computer operators check the accounts as each roll is figured. It is entrancing to watch these gals wiggle their fingers and come up with the right answer. Sometimes a billing machine goes haywire and prints wrong figures, but not too

often. After the billing and checking is completed, and the grand total is arrived at, with the proper code areas—some 700, all different—Elmer and his staff recapitulate the figures and has the sheets for reference. There are 184 rolls this year, the largest number in the county's history. Elmer's job is a toughy, but it doesn't seem to cut down his weight. (In more than 20 years of seasonal working for Elmer, figuring taxes, I never heard him scold a clerk for making an error, never saw him get impatient with an explanation. D H.)

The board of supervisors was in a receptive mood at 11:15 Tuesday morning when James Reading, city traffic engineer and president of the County Historical Shrine Foundation made his second appearance before the board, renewing his plea, on behalf of the San Diego Historical Shrine Foundation, that the county purchase the Whaley house in Old Town for a historical museum. The Dimmer VIEW

By MAX GOODWIN

It isn't often that this column is given over to a commercial venture but I think Disneyland can be made an exception.

We, like many other adults, made the trip to Disneyland near Anaheim, with several children and much trepidation.

The kids didn't wreck the place but they tried and the misgivings I had about Disneyland were overcome the moment I left the drab world we live in and entered the fanciful world where the amazing imagination of Mr. Disney meets the enthusiastic dream world of our children.

Edward Meek, publicity manager for Disneyland, met us at the entrance and I wasn't psychologically prepared for him. A former movie (RKO) associate, he took on the brightness of a child's countenance as he gave us a rundown of what we could expect within the city limits of Disneyland.

For youngsters He was soon talking directly to the youngsters in our group, (Tom and Frances Farrow having brought their family, too) and we were enthralled.

"No," he told the kids. "Children never get lost here. Once in a while mothers and dads do," he warned. The kids kept their eye on us all day, and that is the philosophy which exists with everything at the park. Kids are truly royalty at Disneyland.

The wonder-world itself is fabulous, if you look at it through the eyes of your kiddies and it would be a sheer waste of time, money and energy if you did not, for ingenuity at its highest is revealed here. Did you know, for example, that practically everything is on five-eighths scale? That the animals they use to pull various horse drawn vehicles are not ponies at all but are grown horses especially bred to the prescribed scale?

What I liked best is the respect and deference with which Disneyland personnel treat youngsters. Every one of myriads of questions the kids could think up are courteously answered. Kids are helped gently into and out of conveyances and rides. So completely beguiled did we become under the spell of courtesy that it hardly hurt at all to shell out a half-dollar for ourselves and 35c for the kids on some of the attractions. It should be noted that many of the devices which enthralled kids, and adults too, cost but 10c. Others were between these two extremes.

I, like many another parent, realize that Disneyland is a luxury that should not be undertaken without being prepared to dedicate at least ten dollars per child to the fairy-land cause. And don't forget to include yourself and your mate in the total because you'll succumb as readily to the fairy-land illusions as do the kids.

There ought to be some defense against Disney besides dollars but I know of none.

Earl Morrison To Be Hospitalized

Earl Morrison, who operates the jewelry store at 7919 Broadway is at home waiting instructions that will take him to a Veteran's Hospital either in San Diego or at Long Beach.

Morrison suffered a recurrence of a respiratory area disorder which also hospitalized him during WWI.

It is not known how long he will be hospitalized. The store, Morrison-Adams, will be operated by his son-in-law Marshall Adams during his absence.

Local Little Merchants To Call On You

Several young men have been chosen by us to set themselves up in business handling the circulation affairs of this newspaper.

You may be visited by one of them during the coming few weeks and he will explain his project to you. It's all part of a Little Merchants Plan we are undergoing to make your community newspaper more easily available to you.

These young men are sincere and industrious, and they are your neighbors. Please listen to what they have to say.

"Kid's Crusade" Attendance Tops 400 In Second Year

Part of the more than 400 youngsters who took part in Skyline Wesleyan Methodist Church's "Kid's Crusade" recently. The annual event was the second and started with a handful of youngsters. Church officials say it will be even bigger next year.

A few days ago the residents of Monterey Heights and Lomita Village heard the babble and songs of some 400 youngsters in a parade down Skyline Drive. It had become a familiar sound and a reassuring one. The kids were "marching in the parade of the Lord" and the "troops" would disband at the Skyline Wesleyan Methodist Church at 1345 Skyline Drive where ice cream bars would be one of the rewards.

This, the annual "Kids Crusade," was started by Pastor Orville Butcher first and only minister of the church. Today the burden is shared by Jerry O'Brien, youth minister.

The parade is the culmination of a week's program in which emphasis is put on the historic "Christian Crusade." The kiddies parade is used to depict this event tho it takes pretty good imagination to overcome the cowboy and cowgirl garb, the hula outfits and the various other dress modern youngsters affect.

Pastor Butcher said that the kids recognized the symbolism because they had just spent a week of church activity which included study of the Christian Crusade, memorizing scriptures and carrying the bible.

During the week "Pilgrim's Progress," with the assistance of visual aids, was re-enacted but adapted to children's thinking.

During the 9:00 to 11:30 "Kru-

sade" in the sanctuary, children's singing interspersed study periods. One song which became an immediate favorite was titled, "I May Never March In the Infant's tree; Ride in the Calvary; Shoot in the Artillery; I May Never Fly Over the Enemy... But I'm in the Lord's Army."

During the week Pastor Butcher, who is also the church's director of music, gave sermons on "Discipleship".

"The record attendance convinces me that young people are basically good and want to take part in church activities. For two years I have been active here with our youngsters and the situation which was not good when we first started our church, has improved beyond my fondest expectation."

Pastor Butcher said that most of the past trouble in Monterey Heights-Lomita Village stemmed from a group of 25 boys.

"We worked hard with members of this gang. Many joined our church and have become good Christians. A few have fallen in to old ways. Even those who have fallen know that from us—and it is not too much to hope that they too will some day be in the Christian fold."

Pastor Butcher said the area problem had been brought under good control with only a few outbreaks to mar the serenity of the

Grand Lodge Masonic Temple Ceremony To Be Attended By Local Men

San Francisco (Special) — The new Masonic Temple here, where cornerstone ceremonies will be conducted September 19, by the Grand Lodge of California, F. & A. M., will be a memorial to all California and Hawaiian Masons who lost their lives in any war in which the United States has been engaged. It will also be the first home the Grand Lodge has ever owned, that body previously having been housed in Masonic Temples owned by other Masonic organizations.

Taking part in the ceremony from Lemon Grove will be William Rife, John Dail, Henry Jensen and Lionel Thorogood. The building is at Taylor and California Streets directly across from Grace Cathedral. There will be three main stories and a five story 450 car garage beneath the main floors.

In the lower portion of the Temple will be an exhibit space of 11,000 square feet and a dining room with kitchen facilities to accommodate 1,200 persons.

The main auditorium will seat 3,200 persons. There will be a museum and library on the mezzanine floor. The third floor will be given over to the general offices of the Grand Lodge and its standing committees.

Progress Report Given On New High School

Progress in grading and site development at the Mount Miguel High School site located on Sweetwater Road was reported last week by the High School District Associate Superintendent Harold G. Hughes. Construction bids for this 1600 capacity high school will be called for the latter part of October with letting of contract in November. Completion date has been set for September, 1957.

The board named Virgil Duesa vice-principal at the Mount Miguel High School where he will assist Principal Melvin Grant. Grant, now Vice-principal at Helix High School, will be succeeded in that position by Stanley McIntire who has been Director of Student Activities at Grossmont High School.

Area United Success Drive Quota Set At \$47,000

Everyone needs recreation and
leisure activities — and 18,000
residents of the Lemon Grove
general community found an out-
let through Red Feather pro-
grams last year.

Tom Wigton, Jr., division chair-
man, said this is one reason why
the United Success Drive quota
for the Heartland Division has
been set at \$47,000. "The com-
munity wants and needs these
services, and each of us should
do our fair share of the work
and give our fair share to con-
tinue them through the United
Success Drive."

He cited these figures to show
how the Spring Valley-La Presa
families used Red Feather ser-
vices last year:

426 Boy Scouts, 25 Camp Fire
Girls, 347 Girl Scouts, 210 mem-
bers and campers in the YMCA.

Red Feather health agencies
served the community last year
as follows:

Guadalupe Clinic, three fami-
lies; San Diego Braille Club, 60
visits; Visiting Nurses, 194 visits;

San Diego Hearing Society, 15
visits; and Cerebral Palsy Foun-
dation, one. This was the record
for other agencies: Family Coun-
seling, 19; Door of Hope Home,
26 days' care; Homemaker Ser-
vice, 10; Travelers Aid Society,
two.

HOMES SHOW GAIN IN SIZE

The average new home being
built today provides 182 square
feet more living area than those
erected in 1950, according to a
Federal Housing Administration
survey.

The modern one-family home
now has 1,020 square feet com-
pared with an average 838 square
feet six years ago. Homes grew
to 924 square feet in 1953 and
961 square feet in 1954.

More spacious and additional
bathrooms as well as larger kit-
chens and bedrooms have con-
sumed much of the extra space.

Pigskin Preview . . . Watched the Highland gridmen from Helix somewhat impressed by the beef, speed and general old knowledge of the game. This just might be the year! . . . end Ron Svalstad, Lemon Grove, and fullback Bob Nelson are Helix's representatives to the fine Aztec football squad out State College way. Some of State's leading prospects are ends Dallas Evans and Braxton Pinkins; tackles Ray Packrell, Luther Whatles, Bill Ledford, Don Dickerson, and Alonzo Wood; guards Gene Mumy, Chuck Kahan, and Jay Gutowski; centers John McHargue; quarterbacks Don Magee and Bob Moneymaker; halfbacks Claude Lewis, Mauri Masthay, Hal Jackson and Hal Krupens; fullbacks Jim Pyles and Bob Nelson.

Speaking of Helix again, new coaches and changes are in evidence. Helix, an early favorite to cop the Metro title, will outfit 80 freshmen (when school starts), 35 JV boys and about 40 varsity aspirants. The new varsity line coach is Warren Vinton, recent line coach at Santa Barbara JC. Tom Welbaum will assist mentor Doug Gorrie will assist the freshman squad and together will help with the varsity team. Ben Dues and Dave Lefever will coach the JV squad. Last year's frosh team went undefeated.

Karl and Cedric Jordan, Lemon Grove, thus far are first-string fullback and left halfback respectively, at San Diego Junior College. . . . St. Augustine Roman Catholic High School probably is the toughest prep schedule of any high school in the area. . . . play, in this order, Corona, Lincoln, Pomona Catholic, Chula Vista, Santa Paula, Hooper, Yuma and San Diego High. . . . Some gridders of note at the University of San Diego for next year are center Ray Speitel, guards Dave Oppenheimer, Joe Masano, Tony Procopio and wharf, tackles Don Mocerri, end Eckberg, backs Rudy Hink, Bill and Bob Frank, halfbacks Wood, Tom Kelly, Joe Namara, and Otis Foster.

National observance of civil defense week this week is doing much to focus attention on the fact that civil defense is essentially a grass roots movement built around the family.

In this we see the completion of a full circle in one phase of our national life.

In colonial times there were few jurisdictional worries. If a man's home was attacked by Indians, he and his family had to fight for their lives, with what help they could get from the neighbors. No home could feel that war was something for the Army to worry about. War was too close, too personal.

The same was true of natural disasters. There was no multitude of federal agencies to fight the hurricanes or floods and to provide relief. Danger was an individual, a family, a community challenge.

With the evolution of our national economy, came the age of specialization and delegation. There was a trend of responsibility out of the family and the community. Certain benefits derived from giving the government responsibility for our problems, but inevitably we sacrificed something in self-reliance.

War and disaster were among the things delegated to the specialists.

Representative Herbert C. Bonner (D-N.C.) announced recently that his committee on merchant marine and fisheries, which is seeking federal legislation to keep pleasure boating safe, will hold hearings on the West Coast. San Diego hearings will be held tomorrow (Thursday), September 13 from 9 a.m. to 5 p.m. in the commission room, Port of San Diego, Administration Building, 1365 Harbor Drive, San Diego.

Spokesmen for various boating organizations, state or municipal officials or other interested persons are urged to attend. For further information contact captain of the port, Coast Guard Station, Phone CY 5-3121.

Preceding the opening of the 124th fall term at Stephens College in Columbia, Mo., was a campus leaders' conference from September 9 to 10. At that time the campus officers experienced a period of training for their responsibilities during the coming school year. All students were due on the campus by Tuesday, September 11.

Invited to attend the conference from Spring Valley was Miss Jean Cramer, daughter of Mr. and Mrs. Gene M. Cramer of 8425 Barbic Lane. She is a Senior Pal, whose duty it is to aid new students throughout the school year.

The basis of all spiritual being is in God declares the Lesson-Sermon on "Substance" in all Christian Science churches on Sunday.

From the Bible a reference in Proverbs counsels, "In all thy ways acknowledge him, and he shall direct thy paths. . . . Honour the Lord with thy substance, and with the first-fruits of all thine increase" (3:6,9).

If you are looking for the best of it you are trying to give some guy the worst of it.

Doctors of osteopathy may now be appointed as commissioned officers in the medical corps of the Army, Navy and Air Force, it was reported last week by Dr. Thayer Crow, D.O., 7602 Pacific.

Dr. Crow said that President Eisenhower had signed a bill with these provisions in it on July 4 of this year.

The law amends the Army-Navy Public Health Service Medical Officer Procurement Act of 1947 by specifically recognizing the eligibility of doctors of osteopathy to be appointed by the president, and with the advice and consent of the senate, as commissioned officers. Doctors of medicine and doctors of osteopathy are the two groups of physicians eligible for such appointments.

The committee for the Spring Valley Centennial of the old adobe house met last week to further the program. It was decided that a barbecue is to be held on October 7, Sunday, at a

nominal charge per plate.

The committee further decided that several pictures are to be painted depicting the history of Spring Valley. The pictures will be used as slides and narrated.

Luke Barbour, chairman of the committee, says that anyone in Spring Valley or the surrounding area who wishes to have a part in preparing for the centennial may contact him at HO 6-6536, or call Tommy Thomas at HO 6-6423.

The centennial will be held October 6-7 on the community center grounds, 9050 Memory Lane, Spring Valley.

A baby daughter was born September 1 to Mr. and Mrs. Alphonse J. Zegler, 8940 Switzer Drive, Spring Valley at Villa View Hospital.

The couple named her Marie Bernadette. She weighed 7 lbs. and 4 oz. and was 19 inches tall at birth.

The father witnessed the birth. "It was really something to see," he opined following the delivery. All family members are doing well. Marie will have three brothers to keep her company. They are Alphonse, Jonathan and Stephen.

C. D. A. Reception To Honor State Regent

Mrs. Frank O'Connor of Lemon Grove Court Teresa of Avila of the Catholic Daughters of America has been appointed publicity chairman for the dinner which is to be held at the San Diego Club on Saturday, September 15 at 6:20 p.m. to honor Mrs. Alexander Caprine, newly elected state regent of the organization. A reception and presentation of a gift to Mrs. Caprine will follow immediately.

Mrs. Wilma Lewis, also of Los Angeles, a national director, will be among the out-of-town guests. Mrs. Roy A. Fitzgerald of San Diego will be toastmistress. His Excellency, Bishop Charles F. Buddy and Monsignor John McDonagh of the Church of St. John of the Cross, as well as chaplains of all courts have been invited to the affair, which is to be hosted by the 15 courts in the Diocese of San Diego.

Mrs. Lucy Rosiak, grand regent

of Court Teresa of Avila, is taking reservations for the dinner. Mrs. Carol Smith and Miss Albertine O'Donnell of La Mesa are on the arrangements committee. Mrs. Margaret Amick of San Diego and Miss Lillian Kennedy of Chula Vista are co-chairmen of the dinner-reception.

CLASSES IN GEOLOGY TO START AT MUSEUM OF NATURAL HISTORY

Evening classes in field identification of minerals and basic geology, conducted by Robert W. Rowland, will start soon at the San Diego Natural History Museum in Balboa Park. During September, the doors will be opened at 6 p.m. for enrollments. All classes start promptly at 7 and run till 9:15 or slightly later. The beginners' class may be attended either Monday or Thursday, and the advanced class either Tuesday or Friday. Both consist of 17 meetings, and five all-day field trips on Sundays. Phone BE 2-3744 for other information, or the museum.

Whitteds Celebrate Twelfth Wedding Anniversary

Thursday, September 6 was celebrated by Leland H. and Marian Whitted, at their home, 2215 Sweetwater Road, the occasion being their twelfth wedding anniversary. They were married in Nevada, shortly before coming to Spring Valley to make their home.

Marian's health has improved greatly since coming here. She had been a beauty operator before marrying Leland, and soon was pressed into service by a few friends who knew of her skill. She started the Spring Valley Beauty Shop in her home, still operates the business there.

Leland has been chief clerk at Mason's Feed Store for 10, these many years. His hobby is teaching the fine points of poultry raising and care of animals to 4-H members. Leland particularly likes to wait on the ladies who drive up to Mason's for a couple of sacks of mash, and "please put it in the back of the station wagon," which he does willingly. The other day he saw him waiting on a lady who insisted on helping him, and we kidded him about having to accept help from a girl. Leland just grinned.

Spring Valley Man Injured in Collision

One of the danger spots of Spring Valley, Bancroft and Olive Drives, was the scene of another bad accident last Tuesday, September 4 at 11 a.m. Norman Merle Elsperson, 36, of 8859 Valencia Drive, was driving a '53 Ford pickup south on Bancroft Drive. He stopped to make a left hand turn on to Olive.

Ronald Dean Berger, 16, of 9270 Birch Street, driving a '55 Ford pickup, was going too fast behind Elsperson, and couldn't stop in time to avoid a rear end collision.

Elsperson was taken to Grossmont Hospital where it was found he had major injuries and concussion. The Friday report stated that he was still in the hospital. Officer Homsley of the California Highway Patrol cited young Berger.

Professional Group To Buy La Mesa Hospital

Dr. Adrian Cooper, dentist, has been named chairman of a corporation which is involved in the purchase of La Mesa Community Hospital, it was announced this week.

John Gorby, hospital administrator, said that the deal is presently in escrow and would be completed within a month's time. Some 30 or 35 professional people are involved in the purchase, Gorby said. Name of the group is Health Service Inc.

WW I Vet in Wreck at L. A. Union Station

Clarence Harned, veteran of WW I, (1918), long time resident of Bostonia, and a county seasonal employee for more than 20 years, went to Los Angeles Saturday morning, intending to see part of the Legion convention, and found that his only brother had sold his house and furnishings, so Clarence had no place

to sleep. Hotels were all full, the Rosslyn's rate, usually \$3 a night, had been raised to \$7, and he didn't find any former companions in arms to gas with, so started back to San Diego on the 10:15 p.m. train. While waiting for the "speeder" to start, Clarence went into the buffet car, ordered a drink, which was brought by Pete the porter, whiskey in one glass and water in the other, and set on the table, to await Clarence's pleasure.

At that instant a switch engine backed into the waiting passenger train (still in the station, mind you) with a terrific crash, knocking the passengers for a couple of loops, without severe bodily injury to any. The drink Clarence had looked longingly and thirstily at, was knocked over, the whiskey spilled over our hero's lap, but the water didn't even tip over. Took two hours to clear the wreckage away so the train could start south.

and Clarence got home at 3 a.m. P. S. Pete brought Clarence another drink when the excitement subsided, but he was still lickin' his lips Tuesday morning when he told of the mishap.

Lemon Grove Fisherman Catches

Albacore Tagged Ten Months Before

Lawrence Berry, 3873 Bass Street, Lemon Grove, who fishes commercially for albacore (tuna) and other edible fish from his boat "Josa-G" — that was the boat's name when he bought it and he didn't change it — up and down the coast north and south from his home port, San Diego, following the fish, made a record capture of an albacore on a recent fishing trip off the Baja California coast, near Todos Santos Island.

"Albert," as the fish was named by biologists at Terminal Island station, had a "spagetti tag" affixed to his back, and all fishermen know and recognize the importance of this tag and its indication that this particular fish had been tagged by Fish and Game Wildlife Service, United Department of the Interior, and a record of each fish tagged is kept, with the place where he was tagged by a wild life biologist, exactly what the fish weighed, down to the last ounce.

A letter from Honolulu to Berry follows:

"Albert" was taken on the trolling line of our research vessel, C. H. Gilbert and released on October 17, 1955 at 44° 55' N, 144° 48' West. At the time of release it weighed approximately 10½ lbs., so it gained about six pounds during the nine-month period.

You may also be interested to know that an albacore tagged during the same cruise on October 9, 1956, at 42° 16' N, 147° 16' W was recovered by the Japanese on June 24, 1956 at 31° 54' N, 158° 37' E. This fish had increased from approximately 12½ lbs. to 16 lbs. during the period of its freedom.

We have had reports of the recovery of two other albacore and two bigeye that we have tagged in the central North Pacific. They were all recovered by the Japanese, so yours is the first from the West Coast fishery and the first opportunity we have had to actually study the growth and change in the fish in comparison to others taken from the same school at the time it was tagged.

We greatly appreciate the return of the fish and the accuracy and detail of the position of capture. The investigation of the life history and migration routes of a fish such as the albacore, which apparently roams over the entire North Pacific during its lifetime, cannot be solved alone by a handful of research vessels. If we are to attain results of practical value it is imperative that we have the continued co-

operation of commercial fishermen such as yourself. Very truly yours, Albert L. Tester, director, Pacific Oceanic Fishery Investigations, Honolulu, T. H.

The letter quoted above was dated August 10, 1956, came by air mail to Mr. Berry in Lemon Grove. He gave this reporter the following information.

The fish was caught near Todos Santos Island, off the coast of Baja California, as already stated. When captured Berry noticed the fish had a "spagetti tag" affixed, with a four inch plastic wire hanging on each side of the body. Berry took the position of his boat and on arrival at San Diego with his load, carried the fish and his notations to San Diego office of fish and game, which sent the fish and information to Terminal Island laboratory. The folks at Terminal Island forwarded the information and the tag to Honolulu, where the records are kept.

Mr. Berry, asked by this reporter how the fishing business is, said "Not too good at present. We have to hunt the fish, will go north to Monterey next week."

Inquiries in Hawaii revealed that "Albert" had been tagged October 17, 1955, some 1000 miles north of the Hawaiian Islands, had been swimming around with the tag affixed for nearly ten months and during that time had grown from a scrawny little 23-inch-long specimen weighing 10½ pounds to a bouncing 29 inches in length and 16½ pounds in weight.

For years marine biologists have held the belief that the albacore wended their way around the Pacific Ocean in a gigantic clockwise movement, passing along the local coast starting in July and sometimes continuing the migration until nearly December.

He grew six inches and gained six pounds in about ten months' time after his first capture and tagging.—D. H.

Ceramic Show at Electric Building in Balboa Park

Demonstrations of clay modeling and sculpturing will be an added feature of the fourth annual San Diego Ceramic Hobby Crafts Show which opened September 7 in Electric Building, Balboa Park.

Mrs. Doris Akers of Lemon Grove Uplands, Spring Valley, a one-time Washington D. C. art and sculpture teacher, gave demonstrations daily during the three-day show.

Mrs. Loma Stevens, show chairman, said amateurs from all sections of the county entered almost 1000 ceramic exhibits. These were judged in 11 categories and trophies were awarded in each class.

In addition to the amateur entries, more than 5,000 ceramic art objects of all kinds by professionals were on display.—D. H.

2100 BABIES BORN IN S. D. COUNTY IN AUGUST

San Diego County's birth rate has averaged 500 new babies a week for some time.

According to Helen McGavock, who attends to the birth records in Recorder Roger Howe's vital statistics department, 2100 babies were born in this county in August.

We thought Helen was kidding when she named the number, in answer to our query "How many babies did you have last month?" Said that was three-quarters as many as were born in Los Angeles County for the month.

And only last week we sort of apologized for Lemon Grove's small share in production, with only two, a boy and a girl, for L. G.'s contribution.

Now comes an AP dispatch from Census Bureau in Washington, which estimates the number of American households may increase an average of between 700,000 and one million a year for the next 20 years.

The bureau estimated that by 1960 there may be from 50½ million to slightly under 52 million households compared with 47,800,000 estimated early in 1955. By 1975 the total may be between 61½ million and 67½ million.

Because of the large increase in the birth rate in the late 1940's, the number of married couples is expected to increase sharply by the early 1970's, when these children reach the age of marriage.

The increase in married couples averaged 291,000 a year from 1950 to 1955, despite a low birth-rate in the early 1930's.

The number of births between 1945 and 1956 was half again as large, and the average annual increase in number of married couples is expected to jump to a rate between 722,000 and 857,000 a year by the early 1970's.

The bureau said a gain of from 1 to 5 per cent by 1975 in the number of women living alone or as heads of households is expected. Little change was expected in the rate for men.

Mary Jo Bury Dies After Long Illness

Mary Jo Bury, nine year old daughter of Mr. and Mrs. Jerome Bury of Highlands Boulevard, Spring Valley, passed away Thursday, August 30, after a long illness. She was a student at St. John of the Cross Church School, in Lemon Grove.

Minnesota was given as Mary Jo's birthplace. She and her family had lived in the Spring Valley area about eight years. Rosary was said for her Tuesday, September 4 at St. John of the Cross and Mass was held on Wednesday. Interment was at Holy Cross.

Survivors besides her parents are two brothers, Jeffrey and Christopher and a sister, Jacqueline.

Lemon Grove

Mrs. Joseph C. Loesch, 6944 San Miguel admires dress modeled by Judith Ann Oyler, 11, 1601 Bancroft Street, La Mesa. Judith is the daughter of L. G. Business Women's League president Mrs. James Oyler. Mrs. Loesch is Judith's aunt. Activity took place at the BWL style show and dinner last week at Michael's.

— L.G. Camera Foto

A very enjoyable evening was furnished members and guests of the Lemon Grove Business Women's League Thursday at Michael's. Fashions from Lowe's Toggery were modeled before well over one hundred people.

Passing through a floral archway models showed a greatly varied group of beautiful clothes for milady and her daughter. Everything from sleep wear to dressy evening clothes were paraded for approval. Especially appropriate at this time were the school and sport clothes shown.

Star of the show was Miss Carol Wilson who is Miss Lemon Grove. Hit of the evening however was little Miss Janet Wilder who is two years old but already an accomplished model. Musical accompaniment for the show was furnished by Miss Sharon Lane at the piano. She showed great versatility in her selections.

Chairman of the affair was Mrs. Evelyn Lauritzen. She also commented and was very enjoyable with her intimate observations on the different styles and models.

President Ethel Oyler, dispensed with all business except to announce that the regular luncheon meetings will resume Sept. 20 at 12:30 in Michael's.

Hospital Group Schedules Meetings For Month

The September meeting of the executive board, Grossmont Hospital Women's Auxiliary, will be held on Friday, 9:30 a.m. in the hospital's cafeteria, according to Mrs. Jens Hutchens, auxiliary president. The meeting will deal with a resumption of regular activities and schedules after the vacation period, and Mrs. Hutchens is urging a full attendance.

Having found evening meetings to be popular, Mrs. W. K. Phillips, Lemon Grove chairman, has scheduled one for Tuesday, September 18, 7:30 p.m. in the home of Mrs. George Conrey, 6070 Broadmoor Drive, La Mesa.

Spring Valley will have not just one, but two meetings on Thursday, September 20: the first, at 9:30 a.m. in the home of Mrs. Ray Shearer, 9205 Shirley Drive, La Mesa; the second, in the home of the area's chairman, Mrs. N. T. Henkel, 2636 Fairway Drive, Brookside — so all members should be able to attend.

MEN'S CLUB HEARS (Continued)

heroes at that time by a niggardly government. Miller had a large home in Washington, took as many as 40 Vets home with him to meals and beds, eventually was able to get substantial appropriations for the Disabled Vets. (Dr. Frank told me privately after the meeting that Mr. Miller had placed \$5,000,000 of his own money in a Trust Fund for Disabled Vets of American Legion.)

Miller was sent to Europe by President Eisenhower to supervise escapee plan, and was head of the Communist Control Board. Jiggs told so many things about Captain Miller that we began to fear there would be nothing left for our guest speaker to tell us, but our fears proved groundless.

So when Captain Miller finally got to his feet we found him a genial, fine looking gentleman, no brag about the various positions he has held.

His marriage was consummated in California and he owns some property in Lemon Grove, up on the hill near Jiggs' home. Hoped to be able to come here and live before long. Said he knew he would get a fine wife when he married Mrs. Miller, as she had been his secretary for eight years. Miller was 57 when his only son was born.

Miller's grandfather left Indiana and crossed the Plains in 1850, headed for California. He was known as "Posey", from Posey County, Indiana, not as Dr. Cyrus V. Miller.

In closing Captain Miller said his motto had been "Never give up. Admit nothing—Claim everything—Demand a Recount".

C of C Men View L.G. From The Air

Keeping pace with the modern development of Lemon Grove, two members of the Board of Directors of the Lemon Grove Chamber of Commerce and a Lemon Grove photographer took to the air this past week for a birds-eye view of our growing community.

Boarding a new Cessna 182 Airplane at nearby La Presa Airport were Chamber of Commerce members Earl Smart, attorney at law, and Ted Skelley, manager of the Highlander, together with Roger Johns, Review photographer.

Purpose of the low level aerial inspection was to prepare a report to the Chamber of Commerce members on freeway traffic flow, neighborhood street traffic flow patterns, future L. G. neon sign placement, community growth pattern of homes and businesses, and importance of future aviation needs of Lemon Grove.

The airplane was furnished as a community relations service by Huntair, Inc. — Lindbergh Field, San Diego County Cessna dealership and was piloted by Ed Kranch, a resident of Lemon Grove.

Election Postponed!

School Board Poll Shows 80% Oppose Jr. College

Returns from a poll of elementary district boards disclosed that 8 of 10 opposed an election for a junior college until school taxes should be reduced by state legislation although they recognize the need for a junior college to serve the area. Two of the districts believed that consideration of reorganization of school districts or unification should precede a junior college election. Poll was conducted by Grossmont High School Board of Trustees.

The board then voted to defer the junior college election.

The board pointed out that repayments to the state school building loan fund by local districts was taking a levy of 50c above legal maximum in non-

state loan districts. For the Grossmont High School District alone, the excessive repayment amounts to \$240,000 in this fiscal year.

Mrs. Patricia Goode, Grossmont Board member and Assemblyman Sheridan Hegland returned from San Francisco to report that legislative action to reduce repayments on state loans was favorably considered by the Assembly Interim Committee on School Taxation and Bonded Indebtedness which met there Thursday. The committee of which Hegland is chairman heard Mrs. Goode also urge consideration of state-aid for construction of junior colleges.

School Board O.K.'s Maintenance Building

The L. G. Elementary School Board Tuesday night approved plans for a \$27,000 Maintenance building to be constructed at 8025 Lincoln, south and east of the present Education Center.

They also heard Bart Dunn, assistant director of county planning tell of easements for road which would be required when

construction starts on the new junior high school at the east end of Palm Street.

Notice is to be given to the leaseholders to vacate the school site.

The board also decided to sell to high bidder 5 acres of rough land near Monterey Heights school and to call for bids for 700 yards of dirt. The intent is to use the income from the sale to pay for dirt to improve a playground area at the school.

Lemon Grove Toyland Opens This Week With Clowns and Animals Cavorting

A quick trip to Santa Clausland is in store for Lemon Grove youngsters Saturday when Harold and Helen Tomer's Lemon Grove Toyland, 7771 Broadway, opens.

Actually there'll be a preview Friday afternoon for those who can't wait but the festivities and give-aways will all take place Saturday.

A sound truck will thread the streets of the community playing joyful music and inviting youngsters to come on down and get their free gifts.

Toyland occupies the former location of the L.G. Postoffice and the entire area has been filled to the guards with games, toys and the things that all kiddies dream about owning.

For the opening an entertainment program with a children's appeal has been planned.

A midget clown will perform circus antics all day Saturday; an organ grinder's monkey who loves to be fondled by youngsters will go through his paces; a mynah bird who flirts with little girls by giving wolf call whistles and a gabby parrot who will talk about Santa Claus are some of the attractions.

A deodorized skunk will be on display as will Assemblyman Hegland who will distribute balloons on Saturday.

Almost a truckload of gifts will be distributed Friday night and Saturday. A keg of lollipops, hundreds of "snowmen" buttonnieres, dainty little butterfly pins and thousands of snap-pop guns will be distributed.

In addition, there's the fabulous wishing well. With every purchase a youngster can write his wish for anything in the store. Once each month the well is opened and the lucky wisher gets his choice. A jury of juvenile judges will be on hand for this monthly event.

Little League Gets Official Go-Ahead From Swimming Pool Folk

The Lemon Grove Swimming Pool Association Monday night officially agreed to permit the Little League Association the use of the premises at Washington and Mt. Vernon Streets.

The exact location of the diamond is subject to study to be made by Beryl Phelps, engineer for the Pool Association.

The agreement is subject to revocation whenever the swimming pool has need for the land.

Little League reported that it had approximately \$150 in cash in the treasury, plus one sponsor of a minor league team (cost \$150).

Youngsters are selling memberships at 50c a person and the first 2,000 persons to sign up will be designated as charter members. So far 198 persons have joined.

The campaign will continue until November 1 and information may be obtained from Mrs. Isabelle McCrae at HO 9-6121 or HO 6-0014. Contributions can be made via pint jars placed on the counters of business establishments.

Other fund raising events include a food sale by Little League Mothers and a New Year's Eve dance.

Luncheon, Steak Dinner Part of White Shrine Activities

Mt. Helix Shrine No. 52 Order of the White Shrine of Jerusalem is sponsoring a card party and luncheon on Saturday beginning at 12:00 noon in the El Cajon Masonic Temple, 787 Ballantyne Lane, El Cajon.

A bazaar will be in progress during the afternoon and evening followed with a swiss steak dinner served from 5:30 p.m. until 8:00 p.m.

Mrs. Leah Dobranski, general chairman has announced her committee heads as follows: Mrs. Kenneth Mc Kinney, reservations; Mrs. Robert Bevier, candy; Mrs. Burl Odom, pastries; Mrs. Wm. Cameron and Mrs. Wesley Bond, fancy work; Mrs. Cornelius Vit-slager, white elephants; Mrs. Leonard Berquist, snuffle tree; Mrs. Daisy Johnson, green thumb; Mrs. Orion Faucett, jewelry and post office; Mrs. Jack Anderson, jams and jellies; Mrs. Ruth Mc Elroy, Xmas cards and labels; Mrs. Sydney Fulton, decorations; Mrs. David Morse, luncheon; Mrs. Ben Corle and Mrs. Harry Washburn, dinner; Mrs. Reon Rauscher, serving; and Mrs. Fred Button, publicity.

Golden Ave. P.T.A. Year Starts With 31 Members Present

Mrs. Alf Homberg, president of the Golden Avenue P.T.A. held her first full board meeting at the home of Mrs. R. L. Gutshall, 3060 Olive Street. 31 of 37 members were present.

Five members were ratified completing the new board. They are: Mrs. Alf Homberg, president; Mrs. A. Long, and Mrs. R. L. Gutshall, 1st and 2nd vice presidents; Mrs. Albert Detrez, secretary; Mrs. R. L. Thurman, corresponding secretary; I. D. Wilder, treasurer; Fay Cowden, historian; Mrs. T. J. La Rose, auditor and Mrs. J. C. Gomes, parliamentarian.

List of the various chairmen will be given next week.

The first regular meeting will be held Tuesday at 7:30 at the Junior High Cafeteria.

LUTHERAN SUNDAY SCHOOL TEACHERS INSTITUTE SET FOR THIS WEEK

Last Sunday was Rally Day at Lemon Grove Lutheran Church for the Sunday School. All of the students were promoted to their new classes and received their new lesson materials.

Next Sunday the 11 a.m. service will include the installation of the Sunday School Teachers and Staff. These people donate and devote many hours of work to the Sunday School and its work.

The building project is moving along at a good rate and soon there will be a roof over the new Sunday School rooms.

Friday, Saturday and Sunday there will be a Sunday School Teacher's Institute at Clairmont Lutheran Church to inform the teachers of new ways and methods of teaching.

Kiwanians Call First Meeting of New Season

After a two-month recess, the Lemon Grove Kiwanians will start their 1956-57 season with a meeting on Monday, September 17, 8 p.m., in the home of the new president, Mrs. Max Goodwin, 2910 Buena Vista Avenue.

The first meeting of the season is always an important one, as plans for future meetings and other activities throughout the club year are discussed and decided upon, and committee appointments are announced.

One matter under consideration is a change of the group's regular meeting day from the third Monday of the month to the first Monday.

New officers installed in June along with Mrs. Goodwin are Mrs. Frank Armstrong, vice-president; Mrs. Jack Durham, secretary; Mrs. Paul Reynolds, treasurer.

To entertain the group, a representative of Theatre Music Company of San Diego will put the Hammond Organ through its paces, and will teach a non-organ-playing member to make music on the instrument — actually! The program comes well recommended; having been previously presented at a Kiwanis meeting.

Trinity Church To Hear Rev. David McGown

Dr. Elmer Lloyd Jones of Trinity Presbyterian Church will present the Rev. David J. McGown to the congregation on Sunday. Rev. Mr. McGown is beginning his work with Presbyterian students at San Diego State College, as Westminster Foundation pastor.

Dr. Jones, attended the Los Angeles Presbytery at Pacific Palisades Camp Grounds on Tuesday and Wednesday.

Carolyn Meudterder, spent last week at the Westminster Commissioned Conference at Big Bear Lake, representing Trinity Presbyterian Church.

Dr. Nicholl To Represent Society at Monterey

Dr. Calvin Nicholl, local optometrist, will represent the President's Council of the San Diego County Optometric Society Thursday through Sunday at Monterey.

Dr. Nicholl is 1st vice president of the local society.

VLM P.T.A. Starts A Big Season

A potluck dinner will be the first of a series of events for the Vista La Mesa P.T.A. this Thursday at 6:30 according to Mrs. W. R. White, 1st vice president.

Mrs. R. T. Bullock will preside at a short business meeting. Cub Scout Den 6, Pack 315 will present the colors.

Friday, board members and room mothers welcomed back the teachers. Principal Clarence Allen was m.c. Mrs. G. W. Burkett was in charge of refreshments.

Last Wednesday room mothers met for a tea at the home of Mrs. L. W. Nelson at 3901 Marion St. Mrs. H. J. Cowles assisted the hostess.

New Operator For Monterey Beauty

A third operator has been added to the staff of the Monterey Beauty Shop, 1819 Englewood Drive. She is Helen Blecha and has lived in the area for five years.

Mrs. Blecha studied cosmetology at Southwest Beauty College and later took a course under Ben Wainwright, originally from Hollywood. Fay Wallman is proprietor of the shop.

Woman's Club Sets Pot-Luck As First Event

The Lemon Grove Woman's Club will hold a pot luck luncheon meeting Saturday as the first event of the new year.

Mrs. A. P. Schnell will speak on "Highlights of Our Reunion". Entertainment will be supplied by Betty Martin, vocalist and Mrs. G. E. Turner, pianist.

Hostesses are Meses: O. R. Patterson, chairman; H. E. Havens, Wellington Stewart, C. Heusbaum and M. Kendrick.

Baptist Church Enlargement Week Termed Success

The enlargement campaign that has been promoted by the First Baptist Church of Lemon Grove this week is proving to be successful. The people of the community have responded graciously. The members of the church who have participated have enjoyed the experiences that this survey has afforded. This Friday evening after a group of the people go aloft to continue the religious survey they will return to the church for a period of fellowship. Ice cream and cake will be furnished by the Training Union.

Golden Avenue Kindergarten Draws 100 at Pre-Opening

More than 100 persons attended pre-opening night for kindergarten parents at Golden Avenue school last week to meet four new teachers and to see a movie, "Your Child at Kindergarten." A population of 150 is expected in the four kindergarten classes.

Teachers in charge included Miss A. K. Jones, Martha Norton, Lauralee Chamberlin and Nancy Sandy.

Evelyn Lauritzen, principal of Golden Avenue school, also took part in the event.

Monterey Heights P.T.A. Sets-Up Programs

Coming programs for Monterey Heights P.T.A. were discussed by Mrs. Harold Wolfarth last week at M.H. school cafeteria. New chairmen, the names of which will be listed next week, were approved.

Panel discussions, fashion shows and speakers on child development were some of the subjects which are to be covered at coming meetings.

During the week new teachers were welcomed.

Kiwanis Lt. Governor To Be Nominated

El Cajon Kiwanis Club will be host at the Division 11 Nominating Conference Saturday at 6:30 p.m. at the El Cajon High School, according to Dr. Robert Swenson, L. G. Kiwanis president.

The Conference is an annual affair where Lt. Governor of the division is chosen. Current official is Nat Eggert. Members will hear Charles M. Simmons, president of Simmons Institute and founder of Action Stamps.

seum, and "starting a second Wil-
liamsburg." The Whaley house
has been built 100 years, was
the first courthouse, school, gen-
eral store and San Diego's first
theater and Sunday school, as
well as serving as a residence for
the Whaley family.

Reading's plea did not fall on
deaf ears. Dave Bird almost cried
when he explained that the coun-
ty couldn't appropriate money
for such projects without first
having published a "Notice of
Intention." Said he was strong
for the preservation of old land-
marks, but it couldn't be done
at this time.

De Graff Austin, who has fa-
vored the purchase of the old
house and strongly endorsed the
proposed purchase, asked if some
means might be employed to se-
cure the property for the county,
make a commitment of some kind
to bind the bargain and save the
old place for posterity. Bert Mc-
Lees, county counsel, when ap-
pealed to, made a suggestion that
solved the problem, and Austin
moved, with a second from Rob-
bins, that action be taken. The
vote in favor was unanimous, and
the deal will be made before
September 13, when the option
now held by the foundation will
expire.

Welfare matters:
Petition of L. M. W. for relief
from responsibility for the sup-
port of his father, H. M. W., a
recipient of old age security, with
supporting documents, was rec-
ommended denial by the director
of public welfare, county counsel
concurring.

The department of public wel-
fare submits a list of 730 cases
for which it recommends that
cash in the amount of \$41,952.44
be expended for the month of
September.

The welfare department re-
quests ratification of its action
in expending \$74.50 to return a
man and wife to New Orleans,
their place of legal residence.
That action will save the coun-
ty at least \$175 a month from
now on.

NOTICE OF SPECIAL ELECTION PERTAINING TO THE ANNEXATION OF DENNSTEDT TERRACE TO THE CITY OF LA MESA

NOTICE IS HEREBY GIVEN that, pursuant to Ordinance No. 725 of the City of La Mesa and to the Annexation Act of 1913, a special election has been called, to be held on the 25th day of September, 1956, in the territory hereinafter described and proposed to be annexed to the City of La Mesa for the purpose of submitting to the qualified electors residing in the said territory the question whether or not such territory shall be annexed to, incorporated in, and made a part of said City of La Mesa, and whether or not the property within the City of La Mesa, to pay the entire bonded indebtedness of the City of La Mesa outstanding or authorized at the date of the filing of the petition for annexation for the acquisition, construction or completion of municipal improvements.

Said territory is described as follows:

That unincorporated area in the County of San Diego, State of California, more particularly described as follows:

Beginning at the Northeast corner of Lot 68, Dennstedt Terrace, according to Map thereof No. 2608, records of said County, said corner being also a point on the Westerly boundary of the City of La Mesa.

1. Thence Northerly along said Westerly boundary to an intersection with the Northerly line of Lot 13, Sullivan Tract, according to Map thereof No. 1724, records of said County, said Northerly line of said Lot 13 being also the Northerly line of Tower Street, as shown on Map No. 1789 of Superior Heights Subdivision, records of said County;

2. Thence Westerly along the Northerly line of said Tower Street to an intersection with a line bearing North 0°43'27" East, said line being also the Northerly prolongation of the Easterly line of Lot 2 of said Dennstedt Terrace, Map No. 2608;

3. Thence South 0°43'27" West 1024.87 feet along said Northerly prolongation and along the Southerly prolongation thereof to an intersection with a line bearing South 88°43'33" West, said line being parallel with and 25 feet Southerly from the Southerly line of Lot 99, as shown on Map No. 1787 of Superior Heights Subdivision, records of said County;

4. Thence South 88°43'33" West along said parallel line to its intersection with the Easterly line of Olive Street (now known as 68th Street) according to Dennstedt Terrace, Map No. 2608;

5. Thence Northerly along said Easterly line to an intersection with the Easterly prolongation of the Northerly line of Lot 71, as shown on said Map No. 1789;

6. Thence Westerly along the Easterly prolongation and said Northerly line to its intersection with the West line of said Lot 71;

7. Thence Southerly along the West line of Lots 71 and 72 of said Map No. 1789 and along the Southerly prolongation thereof to the South line of Center Street, as shown on said Map No. 1789;

8. Thence Easterly along the South line of Center Street to an intersection with a line which bears South 0°42' West, said line being parallel with and distant Easterly 60 feet measured at right angles to the East line of 68th Street, as shown on Record of Survey No. 2470, records of said County;

9. Thence South 0°42' West 110.0 feet;

10. Thence North 88°42' East to an intersection with a line which is parallel with and distant Westerly 170.89 feet, measured at right angles from the Easterly boundary line of said Record of Survey No. 2470;

11. Thence South 0°44' West 135.78 feet along said parallel line to the Northerly line of Rolando Knolls Unit No. 1, Map No. 2464, as shown on said Record of Survey No. 2470;

12. Thence North 55°52'20" East 208.27 feet to the Northeast corner of Lot 1 of said Rolando Knolls Unit No. 1, said corner being also a point on the West boundary of the City of La Mesa;

13. Thence Northerly along said West boundary of the City of La Mesa to the Point of Beginning.

Said territory is designated and identified for said election purposes and for use upon the ballots at said election as "DENNSTEDT TERRACE ANNEXATION."

For the purpose of said special election, there has been established in said territory one voting precinct. The polling place for said precinct will be in the garage at 6823 Center Street, San Diego County, California. The polling place will be opened at 7:00 A. M. and closed at 7:00 P. M. on said September 25th.

Upon the ballots to be used in said special election there shall be printed the words:

SHALL DENNSTEDT TERRACE BE ANNEXED TO, INCORPORATED IN AND MADE A PART OF THE CITY OF LA MESA AND THE PROPERTY IN SUCH TERRITORY BE AFTER SUCH ANNEXATION, SUBJECT TO TAXATION EQUALLY WITH THE PROPERTY WITHIN THE CITY OF LA MESA, TO PAY THE ENTIRE BONDED INDEBTEDNESS OF THE CITY OF LA MESA OUTSTANDING OR AUTHORIZED AT THE DATE OF THE FILING OF THE PETITION FOR ANNEXATION FOR THE ACQUISITION, CONSTRUCTION OR COMPLETION OF MUNICIPAL IMPROVEMENTS?

Opposite these words there shall be printed the words "Yes" and "No," and to the right of each of these last two words there shall be a voting square. If an elector shall stamp a cross (+) in the voting square after the printed word "Yes" the vote of such elector shall be counted in favor of the annexation of said territory to the City of La Mesa; and if an elector shall stamp a cross (+) in the voting square after the printed word "No" the vote of such elector shall be counted against such annexation.

In all particulars not herein recited said election shall be held in conformity, as near as may be, with the laws of the State of California concerning general elections and with said Annexation Act of 1913.

The improvements for which bonded indebtedness of the City of La Mesa has been incurred, outstanding at the date of the first publication of this notice, and the amounts thereof, and the maximum rates of interest payable thereon are as follows:

Funds, Issue and Purpose	Rate of Interest (per cent)	Amount Indebted on 8/30/56
Sewer Bond, 1944 (Outfall)	2 1/4%	\$ 13,000.00
Municipal Improvement Bonds, 1955 (Improve University Ave., Monte St., Jackson Dr.)	6%	638,000.00
Fire Station Bonds, 1955	6%	25,000.00
TOTAL		\$676,000.00

OUTSTANDING \$676,000.00

L. G. Review Sept. 6, 13 & 20, 1956

RESOLUTION NO. 6468

A resolution establishing time of hearing of petition and giving notice of the proposed annexation of an uninhabited area known as Brier Tract Lots 37 & 38 to the City of La Mesa, a Municipal Corporation.

WHEREAS, there has been filed with the City Council of the City of La Mesa, a Municipal Corporation, a written petition signed by the owners of more than one-fourth of the land by area, representing in excess of one-fourth of the assessed valuation according to the last equalized rolls in the Assessor's office of said San Diego County, of the contiguous uninhabited territory hereinafter more particularly described, requesting that such territory be annexed to the City of La Mesa;

NOW, THEREFORE, pursuant to the Annexation of Uninhabited Territory Act of 1939 of the State of California, Title 4, Division 2, Part 2, Chapter 1, Article 5 of the Government Code of the State of California (Sections 35300 through 35325), the City Council of the City of La Mesa, California, hereby resolves as follows:

1. That the contiguous uninhabited area, the subject of such proposed annexation proceedings, shall be designated as Brier Tract Lots 37 & 38.

2. That the boundaries of the territory subject to such annexation proceedings and the true legal description thereof are as follows:

All of that unincorporated area in the County of San Diego, State of California, within the following described line:

Beginning at a point on the Easterly line of Wakarusa Street according to Brier Tract Map No. 1475, being distant thereon North 47°29'34" (Record North 47°29'34" West) 118.84 feet from the most Southerly corner of Lot 37 of said Brier Tract.

1. Thence Easterly along the arc of a curve concave Southerly having a radius of 1080 feet and a central angle of 5°51'54" a distance of 110.55 feet to a point of reverse curve whose center bears North 19°24'48" West, concave Northwesterly with a radius of 30 feet.

2. Thence Northeasterly along the arc of said 30 foot radius curve, a distance of 50.58 feet, through, a central angle of 96°36'06".

3. Thence North 24°20'03" West (Record North 24°01' West) a distance of 238 feet to an angle point in the Westerly line of Nokomis Street according to Map 1475.

4. Thence Northerly along said Westerly line of Nokomis Street to an intersection with the Northwesterly line of Lot 38, according to Map No. 1475.

5. Thence South 52°22' West, 168.67 feet along the Northerly line of said Lot 38 to the Easterly line of said Wakarusa Street.

6. Thence Southerly along said Easterly line to the Point of Beginning.

3. That notice be, and it is hereby given of the proposed annexation of said territory to the City of La Mesa a Municipal Corporation:

4. Notice is hereby given that on September 25, 1956 at the hour of seven o'clock P. M., of said day, at the Council Chambers at the City Hall of the City of La Mesa at Number 4755 Spring Street in said City, a hearing will be held at which time and place the City Council will hear protests made by any person owning real property within said territory.

5. The City Clerk of the City of La Mesa is hereby ordered and directed:

(a) To cause a copy of this Resolution to be published at least twice, but not often than once a week, in the La Mesa Scout, a newspaper of general circulation, published in the City of La Mesa, and also in the Lemon Grove Review, a newspaper of general circulation published outside the City of La Mesa, but in the County of San Diego (said publications to be completed at least 20 days prior to the above hearing date).

(b) To cause written notice of the above proposed annexation to be mailed to each person to whom land within the territory proposed to be annexed is assessed in the last equalized county assessment roll available on this date, at the address shown on said assessment roll or as known to said City Clerk and to any person who has filed his name and address and the designation of the land in which he has any interest, either legal or equitable with said City Clerk.

(c) To cause written notice of the above proposed annexation to be mailed to the Board of Supervisors of San Diego County.

(d) To cause the notices referred to in paragraphs (b) and (c) above to be given not less than 20 days before the above hearing date.

PASSED AND ADOPTED at a regular meeting of the City Council of the City of La Mesa, California, held on the 14th day of August, 1956 by the following vote, to-wit:

AYES: Councilmen Nielsen, Logan, Nagel, Harness
NOES: None
